

The NCPTA Distinguished Service Award is the highest honor from North Carolina's largest and oldest volunteer organization advocating for the education, health and success of all children and youth.

Recognize and thank that special person you know who goes above and beyond for all children – the one who acts as a tireless advocate for children's education, health and well-being.

Recognize and thank that special person who has promoted the well-being of children and youth in an exceptional way and who truly cares about children and whose service reflects concern and dedication.

There are worthy people in every school and community. They may be:

- A PTA leader or member, past or present
- A school or school system administrator
- An outstanding teacher or support person
- A dedicated school volunteer
- A school crossing guard
- A local community leader who has become involved in programs which promote the well-being of children and youth
- A member of the media who champions programs/projects which benefit the children
- Other special advocates for children and youth

Any parent-teacher division, (local or council) or an individual PTA member may honor individuals in this special way. The recipient need not be a member of a PTA.

The presentation of a NCPTA Distinguished Service Award is a special occasion. It may be presented at any time during the year at a special program/event or PTA meeting or school board meeting or any other appropriate program.

You may request a NCPTA Distinguished Service Award by mailing the completed order form along with the required fee of \$50 to the NCPTA State Office. We also have available an attractive pin, rolled in gold at a cost of \$15.
